

PETITION FOR THE PRESERVATION OF OUR DOWNTOWN MERCHANTS

We the undersigned, petition the Mineola City Council to consider developing the property owned by the City of Mineola located at 115 N Pacific St., Mineola, Texas (The property presently leased by E-Z Mart) as a city parking lot to accommodate shoppers trying to do business with our downtown merchants. As you know, the shortage of parking for our downtown merchants has long been a problem. If we are going to have a viable downtown, the city needs to provide attractive and convenient parking to encourage shoppers to do business with our downtown merchants. Please save our downtown heritage.
